Copperfield, Calgary, Alberta

Welcome to this stylishly updated ground-level 1-bedroom, 1-bathroom condo in Copperfield Park II, located in the heart of SE Calgary. Ideal for first-time buyers, this air-conditioned unit combines comfort, convenience, and modern flair.

The kitchen is a standout feature, showcasing professionally painted two-tone cabinetry accented with sleek new hardware. Granite countertops complement the glass tile backsplash and matte black faucet, while the brand new stainless steel appliancesâ€”with transferrable warrantyâ€”offer peace of mind. The flat-surface cooktop includes both convection and air-fry modes and has never been used, adding a chef-friendly touch. A built-in island provides seating and functionality, and just off the kitchen, a custom glass-top desk creates the perfect space for remote work or everyday organization.

The living area is warm and inviting, featuring upgraded vinyl plank flooring and a large east-facing deck that spans nearly the entire width of the unitâ€”perfect for enjoying a quiet morning coffee in the sun. The bedroom has new carpeting and leads to a walk-through closet with custom built-ins, flowing seamlessly into the Jack and Jill-style bathroom. Updates here include new plumbing for the shower, a luxurious rainfall showerhead, a new sink faucet, and added shut-off valves for both sinks.

USB outlets are installed throughout the unit, allowing easy charging wherever you are. A brand new laundry set completes the package, making day-to-day life that much more convenient.

For parking, youâ€™ll have an assigned outdoor stall, and your extra storage space is located in the secure underground parkade. The location places you close to South Campus Hospital, the shops of 130th Avenue, McKenzie Towne, and plenty of walking paths around Copper Pond.
